INVITATION FROM PARENT SUPPORT GROUP

Dear Parents of Sec 1 Cohort,

A very warm welcome to you and your child who has newly joined the family of Ngee Ann Secondary School (NAS)!

NAS Parent Support Group (PSG) is an active parent entity which enjoys tremendous partnership and support from the school. As a group, we have initiated and organised many PSG-centric activities as well as supported the school through the years.

We would like to be your parent partner for the next few years and support one another in the journey of nurturing our children. Hence, we would like to invite you to join our dynamic group as PSG members.

To get to know us better, we have scheduled a Let's Chat Session specially for any Sec 1 parents to connect with us and to find out more about this Parent Support Group, for example: who we are, what we do, how do you join the group, what kind of involvement is expected if you join the group, or even how to support the school, students and parents through volunteer work. Some active members will be on board as panellist to answer your queries.

***JOIN US for our Let's Chat Session with our
PSG panelists to get to know us better.***
